HOW IT WORKS

Product points are a great way to increase and enhance your personal experience with dōTERRA CPTG® Essential Oils. In order to ensure each new Wholesale Customer or Wellness Advocate has an enjoyable experience with earning their 100 points, please make sure they take the following steps:

1. An individual must attend a New Year, New You event between 1 January and 28 February 2018.
2. In order to qualify for the 100 free product points, an individual must enroll as a Wholesale Customer or Wellness Advocate within three business days after attending a New Year, New You event with a 100+ PV enrollment order AND be enrolled in the Loyalty Rewards Program with a 100+ PV order that will be processed the month following enrollment.
3. Once the new enrollee has enrolled with a 100+PV enrollment order and enrolled in the Loyalty Rewards Program with a 100+ PV order, they will need to go to doterra.myvoffice.com/nyny and enter in the ID number and password they use to log in to their regular dōTERRA account. They will then submit the access code that they received at the event.

4. The 100 free product points will automatically be added to the new enrollee's account within seven to fourteen business days after the 100 PV Loyalty Rewards Order has been processed, and they have entered in their access code.

Please Note: If their 100 PV Loyalty Rewards Order was processed, but they did not go in and enter the code, they can enter in the code any time before 30 April 2018.

5. Reactivated accounts and Account Transfers do not qualify for the promotion.
6. The last day to sign up for the New Year, New You promotion is 28 February 2018.
